

**ASSISTANT PROFESSOR IN STATISTICS**  
**Department of Decision Sciences, Bocconi University, Milan, Italy**

**Description**

The Department of Decision Sciences of Bocconi University in Milan invites applications for a

**Tenure-track position at the Assistant Professor level in Statistics.**

We seek strong candidates working in any area of Statistics, Machine Learning and Probability.

The preferred start date is **September 2026**; however, a start date in **February 2027** is also possible, with **further flexibility in exceptional circumstances**.

The position will be based at the Department of Decision Sciences, which includes faculty with research interests in Statistics and Data Science, Machine Learning, Probability, and Mathematical Analysis. The Department also hosts a 4-year PhD program in Statistics and Computer Science, jointly with the Computing Sciences Department. The tenure-track Assistant Professor will also be affiliated to the Bocconi Institute for Data Science and Analytics, which is Bocconi's hub for theoretical and applied research on data-driven problems.

**Qualifications**

Applicants should hold, or be close to completing, a Ph.D. in a relevant field and should demonstrate high research potential.

**Job information**

The successful candidate will be expected to develop a publication record of the highest standards, contribute broadly to the academic life of the department, and be an effective teacher at both the undergraduate and graduate levels.

Compensation and teaching load will be competitive with other top European schools.

For additional information on the Department of Decision Sciences and the Bocconi Institute for Data Science and Analytics, please visit

<https://dec.unibocconi.eu/>

<https://bidsa.unibocconi.eu>

Further details on the position may be requested from [faculty@unibocconi.it](mailto:faculty@unibocconi.it)

**How to apply**

Applications must be submitted electronically through the online application form at

<https://jobmarket.unibocconi.eu/?id=931> by 23:59 Italian time on **May 4, 2026**.

The following documents must be attached to the electronic application:

- a. a curriculum vitae, including a list of publications;
- b. up to three publications that best represent the candidate's research;
- c. a research statement;
- d. the names and contact details of three referees, who will be contacted through a system-generated email and asked to upload a letter of recommendation promptly, and no later than May 11, 2026.

For any problems with the online application system, candidates can contact [faculty@unibocconi.it](mailto:faculty@unibocconi.it)

### **Closing date**

Review of applications will begin on **April 20, 2026** and will continue until the position is filled, the ultimate deadline for applications being **May 4, 2026**.

Bocconi University is committed to increasing the diversity of its faculty. Applications are particularly welcome from women or members of groups that are underrepresented in academic posts.
